John Hunt Publishing, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. For the first time in print, shamanic techniques are introduced that healers and Reiki practitioners can draw on to tap into ancient healing wisdom. Shamanism and Reiki are, by themselves, powerful ways to heal. Together, their power multiplies, and healing methods become available that aren't accessible if they're used separately. The purpose of Shamanic Reiki is to introduce you to concepts in both and provide you with detailed proven methods to enhance your own healing practices, or to work on yourselves. Shamanic Reiki empowers the healer / Reiki practitioner to trust their instincts, recognizing that healing is an evolving and dynamic art; to facilitate change requires the healer to trust in spirit and work creatively with the universal life force energy. Now it's your turn to discover the combined power of Reiki and shamanism.
