THE EXPOSITOR S BIBLE: THE BOOK OF REVELATION

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Expositor s Bible The Book of Revelation by William Milligan The End of Days - Clear and Practical Resource on the Book of Revelation The Book of Revelation, often simply known as Revelation or by a number of variants expanding upon its authorship or subject matter, is the final book of the New Testament and occupies a central part in Christian eschatology. Written in Koine Greek, its title is derived from the first word of the text, apokalypsis, meaning unveiling or revelation. The author of the work identifies himself in the text as John and says that he was on Patmos, an island in the Aegean, when he heard a great voice instructing him to write the book. This John is traditionally supposed to be John the Apostle, although recent scholarship has suggested other possibilities including a putative figure given the name John of Patmos. Most modern scholars believe it was written around 95 AD, with some believing it dates from around 70 AD. In ordinary circumstances one who undertakes to comment upon a book of the New Testament may be justly expected to make every effort to explain each successive clause and each difficult expression of the book on which he writes. My aim in the following Commentary is rather to catch the general import and object of the Revelation of St. John considered as a whole. The latter purpose indeed cannot be attained unless the commentator has himself paid faithful attention to the former; but it is not necessary that the results of these inquiries should in every case be presented to the English reader. To him this book is for the most part a...
