The author will take you with him to celebrate the exuberance and joy of being a member of Generation X while traveling through the most tropical parts of the great experiment in freedom and wealth: America. It is a story of beauty, joy and exhilaration, where the author takes the advice of Thomas Jefferson and travels to the most tropical parts of the states to experience Life, Liberty and the Pursuit of Happiness. American Tropics is the story of one mans generational dream and a call to every member of the generation to take up arms against a sea of dreariness, to have more fun, pursuing happiness in the American Tropics. It is a story for a generation that dislikes its name: Generation X, and a call to this 13th generation of the United States to wake up to the immense beauty of modern life and to pick up from where the Summer of Love generation left off. The book is a generational dream from a Generation X author. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
