Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Every morning we get up with a positive attitude, but as soon as we catch hold of the newspaper we get surrounded by negativities, horrors, stigmas such as rapes, caste discrimination, honor killings, glass ceiling biases, information about failed justice; etc., etc., all these daily hassles of our society create a ruckus within our lives, in our moods, our thoughts and hence to liberate oneself from all this, we need to look for sources within ourselves, that will help us uplift ourselves from these mishappenings, therefore all of us should focus on our passions and should work towards achieving them. It s our life and we should live it on our own terms, after all we are the future of our country; if we won t be confident of ourselves no one else would ever be.
