

## The Trees of Texas: An Illustrated Manual of the Native and Introduced Trees of the State (Classic Reprint) (Paperback)

By Isaac M Lewis

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Trees of Texas: An Illustrated Manual of the Native and Introduced Trees of the State The present bulletin has been prepared to, meet the needs of those persons who desire to become more familiar with our native and introduced trees, but who do not have access to the more complete sets of books which treat this subject. It has been my constant aim to avoid the use of technical terms, and only such have been introduced as can be easily learned from the glossary by the amateur student of nature who has had no previous training in botany. The scientific name and the common names most generally in use have both been given for each species. The keys for the separation of families, genera, and species are based in so far as possible, on the leaf characteristics. This is necessary for the reason that the leaves remain on the tree throughout the summer, while the flowers soon fall away. We should not be deceived, however, into thinking that leaf characteristics denote natural relationship to the...
