### **Reviews**

*The most effective pdf i ever go through. It is probably the most incredible book i have got study. You wont sense monotony at at any time of the time (that's what catalogues are for relating to if you check with me).*  
*(Ahmad Heaney)*

## NAUGHTY DOTS

[DOWNLOAD](#)

Fair Winds Press. Paperback. Condition: New. James Brisson (illustrator). 128 pages. Formed in Los Angeles in 1981, Metallica has become the bestselling heavy metal act in music history, with more than 100 million worldwide album sales to its credit. The band remains hugely popular around the Globe: in 2009, Metallicas 1991 self-titled LP became the bestselling album of the SoundScan era. They have toured in the United States, Canada, Europe, Asia, Australia, and even Antarctica (in 2013), the only band to perform on all seven continents. In this book, the first complete illustrated history of the band, acclaimed heavy metal journalist Martin Popoff leads a roster of celebrated heavy metal writers, including Richard Bienstock, Daniel Bukspan, Neil Daniels, Andrew Earles, Gary Graff, Jaan Uhelszki, and Mick Wall, to take on Metallicas story, analyzing each of the groups studio albums and providing a complete discography. More than 300 images complement the bands story: their formative years spent woodshedding in the clubs of Los Angeles, tragedies like the death of founding bassist Cliff Burton, the triumphs of multiple platinum recordings, personnel changes like the departures of Dave Mustaine and Jason Newsted, and tours around the world. Live-performance and candid backstage photographs are accompanied by a stunning selection of memorabilia. This fully updated second edition includes Metallicas two Orion More festival gigs in 2012 and 2013; their 2012 departure from Warner Bros. and the formation of Blackened Records; the release of the Quebec Magnetic two DVD live set in 2012; and the release of Through the Never, an innovative 3D no-dialog horror movie interspersed with Metallica live footage and a live soundtrack album in 2013. The Antarctica performance generated a digital live album, Freeze Em All, and they toured the world in 2013, 2014, and 2015, with shows in the United States, Canada,...
