

I Lost My Sock!: A Matching Mystery (Hardback)

Filesize: 2.17 MB

Reviews

*This book is definitely not effortless to start on looking at but really exciting to see. It really is simplistic but surprises from the 50 % from the pdf. I am just effortlessly can get a delight of looking at a published book.
(Thurman Schamberger)*

Abrams, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. I lost my sock! says Fox. Have you seen it? So begins Ox s ridiculous attempts to help Fox find his missing sock. He presents each new option just before the page turn so the reader has a moment to decide for him or herself whether Ox has, in fact, found Fox s sock. At its heart, I Lost My Sock! is the story of a funny misunderstanding between friends. But it s also about pattern, colour and shape recognition; comparing and contrasting; and object identification. Mastery of these skills enriches a child s vocabulary, prepares him to understand letters and numbers, and helps him gain a better sense of the world around him. Elio s bold, geometric character designs further reinforce the early math concepts hinted at in this book.
