LEAN RETAILING (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****
 If time is money, then being lean is both. Thanks to mega retailers worldwide, lean principles have rapidly spread to a variety of different manufacturers, such as consumer foods, apparel and food/beverage. Over the past few years, these retailers have dramatically changed how they do business in order to stay competitive in the marketplace. How products are ordered, how inventory is moved throughout...
