Scratching Shed Publishing Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. My temper and hot-headedness has always let me down. Like most people, I have done a lot of things that I regret. - Gareth Hock Gareth Hock is the bad boy of rugby league. A player who in his early years with hometown Wigan seemed to have the world at his feet was instead derailed by a drugs ban, skirmishes with officials and other headline-grabbing controversies.It has been said that Hock had the potential to be one of the best players in the world.He had everything and more in his locker and should have been up there brushing shoulders with the game s all-time greats.Some of the biggest personalities in Wigan club history watched and were appreciative of the emergence of a lion-hearted local hero who combined God-given sublime skill with raw-boned aggression.Add to that a powerhouse determination and burning desire to emulate his hero Andy Farrell and it was so nearly the perfect combination. There have been times when he has been his own worst enemy.He has let himself down, on and off the field.Yet he has also been a handful for everyone from the local police to the star-studded Australian national team. And he is still a hard man on a mission, man enough to admit to his failings and seek to put them right.Hock s is a remarkable rags to riches story - a tale of a complex character dogged by the pitfalls and perils that line life s highway.It is also glowing testimony to the character and staying power of the man at its heart.Gareth Hock has had to climb...
