Peter Hope was tall and thin, clean-shaven but for a pair of side whiskers close-cropped and terminating just below the ear, with hair of the kind referred to by sympathetic barbers as getting a little thin on the top, sir, but arranged with economy, that everywhere is poverty's true helpmate. About Mr. Peter Hope's linen, which was white though somewhat frayed, there was a self-assertiveness that invariably arrested the attention of even the most casual observer. Decidedly there was too much of it—its ostentation aided and abetted by the retiring nature of the cut-away coat, whose chief aim clearly was to slip off and disappear behind its owner's back. I'm a poor old thing, it seemed to say.

*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*
