Brand New Book ***** Print on Demand *****.Internet marketing for small business teaches you how to develop an effective online strategy for your business. Many entrepreneurs and small business owners have spent vast amounts of time having websites built, putting together social media profiles, only to find that their online marketing falls flat and fails to produce results. What many business people fail to realize is that successful marketing online is as much an issue of effective communication as it is having the right online tools. In this book, internet marketing strategist Carl Willis, shows you how to identify your most profitable customer prospect and then deploy a marketing system that your prospects will find irresistible and inescapable. The marketing strategy laid out in Internet Marketing for Small Business will work for any sized business, even those with a minimal advertising budget. Once you understand this marketing blueprint, you can utilize these concepts over and over again with any product, business or service.
