Dog Ear Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Forty days without video games? Oh no! Sixth-grader Sophie Washington and her friends are back with an interesting book about having fun with video games while keeping balance. It s almost Easter, and Sophie and her family get ready to start fasts for Lent with their church, where they give up doing something for 40 days that may not be good for them. Her parents urge Sophie to stop tattling so much, and encourage her secondgrade brother Cole to give up something he loves most, playing video games. The kids agree to the challenge, but how long can they keep it up? Soon after Lent begins, Cole starts sneaking to play his video games. Things start to get out of control when he loses a school electronic tablet he checked out without his parents permission, and comes to his sister for help. Should Sophie break her promise and tattle on him?.
