By Saida Sheikh Ahmed

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: Somali . Brand New Book ***** Print on Demand *****. Lagaama Roona is the second book published by Saida Sheikh Ahmed and it discusses the rights of Somali members of the LGBT] community. Sheikh Ahmed is not the first writer to write on this topic however; she is the first to address it in the Somali language. Lagaama Roona is based on a thorough research that is looking at the rights of LGBT+ Somalis from cultural as well as religious perspectives. Sheikh Ahmed uses storytelling and humorous anecdotes to center the voices of LGBT+ Somalis and engage the reader into thinking about a subject that has long remained a taboo in the Somali community. Through this book, Sheikh Ahmed intends to raise awareness about the rights of Somali LGBTQ+ people and break the barrier of fear and silence imposed of this marginalized and excluded group of people. Sheikh Ahmed's main objective behind this work is to initiate an honest and compassionate dialogue among Somali people in relations to this topic.

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
