Dalkey Archive Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. An aging writer, fragile and flawed. A father trying to win back the daughters he has lost. A mother trying on her daughter s pointe shoes when no one else is home. Two sisters in their eighties, sharing a home after decades spent apart.The thirteen short stories that make up Amanda Michalopoulou s I d Like read like versions of an unwritten novel: each riveting tale resonates with the others, and yet a sense of their connectedness remains tantalizingly out of grasp. Instead, we are presented with a kaleidoscope of characters and events, signs and emotions, linked by the uncanny repetition of certain details: blossoming almond trees, red berets, bleeding feet, accidents small and large. Michalopoulou s characters are both patently fictitious and profoundly real, as they move through a world in which even the smallest of everyday occurrences can take on enormous significance. Engagingly fresh in its approach, I d Like offers a touching, utterly unique reading experience from one of Greece s most innovative young storytellers.
