Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Use Trading and Investing using the Smart Plan Method as an overview or a guide if you will, to what to study and learn first to become consistently profitable from investing and trading and how you can make every day Saturday for the rest of your natural life and be able to do it from anywhere in the world you chose to do it from. In Trading and Investing using the Smart Plan Method I tell you only the most critical things to learn first because those are absolutely the most important and the ones that will make you money right away if you do them. As a brand new investor and trader with zero knowledge of the business you are at a loss as to what information you actually do and do not need. Much of what the current investing and trading education industry is putting out is not only giving you information that is all backwards, it is very unrealistic to do in the live markets, and can get you and your trading account into a lot of trouble. The trading education industry is not regulated so beware of that. Anyone can put out a YouTube video of anything and brand new self-directed traders who are watching these types of things thinking that what they are viewing are the right things to do, better watch out for that. New self-directed investors and traders also spend waaaay too much time on looking for the magical combination of indicators, settings and colors or formulas they think will show them something that is going to help them make more money. There are no shortcuts or bells that go ding to...
