Editions Universitaires Europeennes EUE Apr 2018, 2018. Taschenbuch. Condition: Neu. Neuware - 'On My Way Back Home' is simply a message, which is dedicated to all my fellow citizens, those who are seekers of the Light. As souls, we all are God's children. Having been created in the image of God, we all bear Divine Treasures, which are sleeping, in the bottom of our hearts. The awakening of those Treasures comes to existence after the Self-Realization, which is nothing else than knowing WHO WE ARE, WHAT WE ARE and WHICH IS OUR MISSION IN THIS LIFE. This is a long journey for which, steps, to go beyond, include Knowledge, Wisdom, Love and Freedom. Personally, I perceived this trip like going Back Home. As long as all souls are called one day to leave the material in which they are encapsulated to recover their Divine Essence. This book does not only relate a supplemental step ahead on this long journey, which is waiting for me and waiting for all of us. Would it only allow my fellow citizens to try to understand the nature of relations with our contemporaries instead of judging them and making them responsible for our misfortunes; it would have fully reached its goal. 144 pp. Englisch.
