By Douglas Boyd

The History Press Ltd, United Kingdom, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. When people think of Richard the Lionheart they recall the scene at the end of every Robin Hood epic when he returns from the Crusades to punish his treacherous brother John and the wicked Sheriff of Nottingham. In reality Richard detested England and the English, was deeply troubled by his own sexuality and was noted for greed, not generosity, and for murder rather than mercy. In youth Richard showed a taste for cruelty and a rapacity for gold that would literally be the death of him. To save his own skin, he repeatedly abandoned his supporters, and his indifference to women saw the part of queen at his coronation played by his formidable mother, Queen Eleanor. His brief reign bankrupted England twice, destabilised his parents powerful empire and set the scene for his brother's ruinous rule. So how has Richard come to be known as the brave and patriotic Christian warrior? Lionheart reveals the scandalous truth about England's hero king - a truth that is far different from the legend that has endured for eight centuries.

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Aliya Franecki

This pdf can be worthy of a read, and much better than other. I am quite late in start reading this one, but better then never. Its been printed in an remarkably easy way which is merely following i finished reading this book by which basically changed me, alter the way i think.
