BIOLOGICAL INVADERS: THE IMPACT OF EXOTIC SPECIES

Royal Irish Academy, Ireland, 2002. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. These seminar proceedings contain contributions from leading experts on Irish animal and plant life. The studies deal with exotic species as natural invaders from postglacial colonisation and more recent deliberate and accidental introductions to the island. The risks and threats to native flora and fauna are discussed. The proceedings, following a 1999 seminar, are part of a long-established series resulting from...
