University of Nebraska Press. Paperback. Book Condition: new. BRAND NEW, An Afghan Woman's Odyssey, Farooka Gauhari, Nancy Dupree, "An Afghan Woman's Odyssey" is a first-person account of the tragedy that disrupted daily life in Afghanistan after the Communist coup of April 1978, events which eventually contributed to the volatile Taliban rule. This is the tale of a woman desperate to find her missing husband and her painful decision finally to abandon the search and to leave the country with her three children. Her story typifies the kinds of human-rights violations that became common practice after the Soviet invasion and made way for the later abuses of the Taliban. Farooka Gauhari, formerly an associate professor at Kabul University in Afghanistan, works in the department of biology at the University of Nebraska at Omaha. Nancy Dupree is the author of "The Cultural Basis of Afghan Nationalism".
