Lulu.com, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The hunting, fishing, growing-up stories in Emergency Toilet Paper will make you say, Hey! I did that when I was a kid and I knew it was funny. Just knew it! So why the hell did I get grounded?! Emergency Toilet Paper digs into the mind of the sportsman and pulls out all the goo that makes us, umm, special . It also helps to prove long-debated theories of the outdoor world, such as: bears on the high plains, aliens just waiting to abduct anyone with a six pack and a mind for a fishing trip, and the actual existence of the fabled caring spouse of an outdoorsman. OK, OK. That last one may have been a little far-fetched, but if there are any spouses out there that want to at least appear as though they care, try picking up some Emergency Toilet Paper for your beloved outdoorsman. However, be careful, you might want to first suggest they read it.
