If you love movies then you are sure to appreciate the thought, ingenuity and downright creativity that some film makers have shown when it comes to naming their work. A witty pun, clever play on words, blood curdling situation or terrifyingly scary creature in the title can help to draw you in and build your anticipation prior to viewing. In this book we have selected over 400 of the wackiest, strangest and funniest movie titles that we have come across. Titles such as Microwave Massacre, Attack of the 50 Foot Cheerleader, Redneck Zombies and Santa Claus Conquers the Martians. Amazingly they are all real films. Spanning decades and genres the book selects a range of titles so bizarre that you wonder how some of them ever got made.
