*Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

What she really wants is the new Financial Aid Counselor, Carlos, who is 23 years her junior. Maggie will try any trick in the book to get Carlos into her bed, but he is a hard sell. She's never had trouble getting men interested in her before, and it drives her crazy. Is she getting too old? As Maggie gets more and more desperate to win Carlos, her life begins to fall apart. Still [Boy] Crazy After All These Years contains explicit sex and is intended for mature audiences only. This is the first book in the Mountain Laurel series.
