Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Running to God is about responding to His character. Instead of a crossing things off my list, it's a counter move. I'm in a dance with my Savior. He is leading; I choose to follow. I don't have to figure out what's next - how and where to run. I simply choose to stay close enough to Him to feel the cadence of His movement, and follow where He leads. Running to God means pressing into His presence and responding to His lead. In our Run to Him study, we go on a 6-week journey through the Psalms looking at various characteristics of God and the implications His character has upon our individual lives. His faithfulness gives us hope. His strength moves us with endurance. His love empowers us to keep running, one step and then the next.
