A Sanskrit Handbook for the Fireside (Classic Reprint) (Paperback)

By Elihu Burritt

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Sanskrit Handbook for the Fireside Believing this as a theory, I resolved to test it by actual experiment. I invited a half - dozen young ladies, recently graduated from our town schools, to undertake the study of Sanskrit, without any books to help them, or any written instructions except those of the black-board. The first lesson was confined to the alphabet. The Sanskrit equivalents were written over the English letters just in the order in which these are placed. Then short, simple English words, in which the consonant is preceded and followed by a vowel, were spelt in Sanskrit, such as Abi, Ira, Helen, c. Then words with the simpler combinations of consonants were taken, as Abbot, Blake, Butler, Graham, c. Next, names involving the most complicated clusters of consonants were tried, as Phillipston, Pittsfield, c. When these were accomplished, we expelled the hyphen from English compound words, and spelt dishcloth, cornthresher, black guard, c. In the course of an hour, the whole class had mastered and applied the most involved and difficult combinations to be found or...

Reviews

It is one of my personal favorite books. This is certainly for anyone who states there had not been a worth studying. I found out this ebook from my father and he advised this pdf to learn.
