

## Against The Nation: Anti-national Politics in Germany

By Robert Ogman

Communalism Press. Paperback. Condition: new. BRAND NEW, Against The Nation: Anti-national Politics in Germany, Robert Ogman, Following the German reunification process in the 1990s, a new anti-national movement appeared in Germany that rejected all forms of nationalism, including the desirability of national communities and the existence of the nation-state itself. In Against the Nation, Robert Ogman covers the background of this movement - the rising Neo-Nazism, racist mob violence, restriction in immigration policies and citizenship requirements - and its urge to organize society around other principles than nationality and borders. By examining the campaigns and documents the various anti-national tendencies in Germany during this period, Ogman takes a fresh look at the question of nationalism that has haunted the left for more than a century. Against the Nation also provides a hope for an emancipated future based on "Something Better than the Nation."

### Reviews

*Absolutely essential read book. It is probably the most incredible pdf i have got read through. You will like the way the writer publish this pdf.*  
-- Griffin Hirthe

*The very best book i actually read through. I have got read through and i am certain that i will likely to read through yet again yet again down the road. I realized this ebook from my dad and i suggested this book to learn.*  
-- Alfreda Barrows
