Desert Breeze Publishing, Incorporated, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Samantha Arnold, prep cook and struggling romance novelist, believes adventure is right around the corner, but nothing exciting happens in the small town of Newburg, Indiana. When a routine trip to pick up chicken results in meeting Mitchell, she can't help but hope things are about to turn. Special Agent Patton Mitchell despises the farming community. He's watching his mark as well as the meek and mild Samantha. Her questionable Internet search history has triggered a visit from the NSA, and he's not above a little flirting to get his answers. Small town life explodes with intrigue, guns and betrayal to boot. What she thinks of as a madcap caper is a fight for life or death in Mitchell's book. Between dodging bullets, chasing a would-be terrorist and dealing with drop-in relatives, there might just be a shot at romance-if the bad guys don't get them first.
