

The Fuhrer Document: A Story about the Fourth Reich (Paperback)

Filesize: 9.3 MB

Reviews

It is great and fantastic. It can be written in easy phrases and never hard to understand. You will not really feel monotony at any time of your respective time (that's what catalogues are for concerning if you request me).
(Michel Halvorson)

iUniverse, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hardy Jackson is a small-town lawyer who is thrust into the middle of an international conspiracy by the accidental deeds of his father in the closing days of World War II. Jabo Jackson was a young soldier who brought back some intriguing relics from his explorations of Hitler's Eagle's Nest compounds. For 50 years he kept his Nazi memorabilia hidden. When Jabo dies, Hardy stumbles upon Jabo's old army footlocker in the attic. This 50-year-old relic is a Pandora's Box. To open it is to reopen one of the darkest eras in the history of the world and force him not only to face his own shortcomings, but also to confront vestiges of tyranny thought long conquered. Hardy blunders upon the Fuhrer Document, key to a Neo-Nazi plot to establish a Fourth Reich. However, a few inept moves expose his identity to the Neo-Nazi plotters. Hardy is a marked man. The feds are after him as well as Neo-Nazis. His only choice for survival is joining forces with an OSI agent to hunt down the mysterious figure code-named Raven.
