Univ Europeenne, United States, 2012. Paperback. Condition: New. Aufl.. Language: French . Brand New Book. Cet oeuvre qui est un Business Plan reel et bancable a fait l'objet du memoire de fin d'etudes de mon mastere professionnel Entrepreneurat et Gestion de projets. Il s'agit de creer une unite d'elevage de lapins d'une capacite de 400 meres utilisant l'insemination artificielle. Le contenu du dit oeuvre comprend une etude marketing, technique et financiere. De ce fait, vous y trouverez l'historique et l'importance de la cuniculture en Tunisie, mais aussi l'etude technique qui vous decrira en details le deroulement de l'elevage depuis le choix de l'emplacement de votre projet jusqu'a la vente de votre production bien entendu les conditions favorables permettant la reussite de votre projet. J'ai illustre des details qui passent parfois inaperçus a la pensee d'un eleveur ordinaire qui est generalement influence par l'elevage traditionnel sans toutefois chercher a ameliorer les techniques de l'elevage deja acquises. C'est un oeuvre qui regroupe les cotes: naturel, techniques traditionnelles modernes, commercial financier dans un seul contexte qui est tout simplement un Business Plan.
