SAVING THOSE DAMNED CATHOLICS

Xlibris Corporation, United States, 2009. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Saving Those Damned Catholics chronicles the reasons why the current mess within the Catholic Church is not something that should surprise anyone, whether Catholic, Protestant, or just curious. After all, as the story unfolds you will learn how a bureaucracy has replaced individual commitment; and how politics has become far too appealing to the majority of Catholic bishops. It is no surprise that Americans scoff at Catholic teachings on birth control, abortion and euthanasia. The statistics tell the tale: most Catholics don't know what the Church teaches on these matters of life and death, and if they do, they choose to disagree and - ho-hum - the hierarchy moves on. Saving Those Damned Catholics outlines the logic behind the most controversial teachings in the Church today, and exposes the arguments put forth by priests and bishops who clearly do not agree with some of these teachings themselves. Astounding as it may seem, there are reasons why federal funding has become more important than protecting innocent life; why popularity among the most liberal of politicians has trumped Pope Benedict XVI's call to be good shepherds and, indeed, to be counter-cultural. There are reasons why homosexuals are still in the seminaries; and there are reasons why the vast majority of Catholics use birth control and condone abortion. Ever wonder why people like Bill O'Reilly, Ted Kennedy and others in public life get away with distorting Catholic teaching? Scoffing at the truth? Taking it upon themselves to correct the Pope on national television? This book will give you a bird's eye view into what is being said and what is not being done to set the...
