Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Faust: A Dramatic Sketch The present poem is one of the twenty-nine Fausts, by various authors, which appeared in Germany, during the sixty-one years in which Goethe was employed upon his masterpiece. Adalbert Von Chamisso, unfortunately best known by his least important work (Peter Schlemihl), has sunk into unmerited oblivion; and under the impression that this poem has never before appeared in our language, I have ventured to translate it, although merely a sketch, not entirely free from obscurities. Chamisso was a ripe scholar, a naturalist of high rank, and has been characterized as a hale, hearty, sinewy poet. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
