New Generation Publishing, United Kingdom, 2014. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The book Children Screaming To Be Heard examines the plight of children in the care system in the United Kingdom in the 21st Century and compares it with the Lebensborn Program run by the Nazis in World War Two. The book also explores evidence of child sex crimes in the UK and internationally, involving the luring and exploitation of children. It also examines allegations of satanic ritual abuse by the global elite internationally, who appear to be participants in a global satanic cult. Jesus said, Ye shall no the truth and the truth shall set you free. That moment of freedom is upon us if we unite, stand up for justice and take action to stop these crimes against children. Albina Koumirova is a fine artist whose work is well known in Europe, particularly in the UK. She will be showcasing her work in London July of 2014 at a conference for a charity called Children Screaming To Be Heard. Her exhibition focuses on the plight of children and the need for all of us to do more to protect the rights of children worldwide.
