

The Transcendent Holmes

By John Warwick Montgomery

Nrp Books, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.In a series of sparkling and intelligently presented essays, Dr. Montgomery takes a fresh look at the world where it is always eighteen ninety-five -- the world of Baker Street and Sherlock Holmes. Besides examining long debated problems, such as the true location of 221B, which was Holmes s University, how many times Watson was married, and where Watson was wounded, Dr. Montgomery also considers Holmes s activities in Tibet, his writings, his brother Mycroft, and his liking for fine wines. In a stunning climax to the volume, the reader is presented with a discussion between Holmes and Watson which will almost certainly cause him/her to pause, think, and deeply consider the depth of the message conveyed. Dr. Montgomery is a Sherlockian of long-standing. These essays prove that his time devoted to his subject has been very well spent indeed.
