Novel Image Compression  
Methods Based on Vector  
Quantization

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | The rapid growth and development of electronic imaging in the recent years has led to large scale digital media archives. These are increasingly becoming popular as more and more digital media contents are created and deployed online every day. A critical issue in designing such archives is effective storage of the data. Uncompressed data requires more storage and huge bandwidth for transmission. Though the cost of storage is rapidly dropping, compression still...
