

## The Memoirist (Paperback)

By Neil Williamson

NewCon Press, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In a future dominated by omnipresent surveillance, why are so many powerful people determined to wipe a poignant gig by a faded rock star from the annals of history? What are they so afraid of? When Rhian is hired to write the memoirs of Elodie Eagles, former singer with politically charged electro-rock band The HitMEBritneys, she has no idea of the dangerous path she is treading, nor the implications of her discoveries, which may well alter the course of human history. Completing the first set of NewCon Press novellas, The Memoirist is Neil Williamson s most ambitious work since his critically acclaimed debut novel The Moon King (shortlisted for the Robert Holdstock Award and runner up behind Anne Leckie for the BSFA Award for best novel). Williamson s territories are the liminal experience and the murky corners of the psyche. He is a virtuoso of the fleeting glimpse, a laureate of loss. - Interzone A talented writer who transcends genre, and should be bought, read and cherished. - Shaun Green, Yet Another Book Review.

### Reviews

*This written publication is wonderful. It can be written in straightforward phrases instead of confusing. I discovered this pdf from my dad and i suggested this publication to learn.*

-- **Jesse Tremblay**

*This is the very best publication i have got go through until now. I am quite late in start reading this one, but better then never. I discovered this pdf from my dad and i encouraged this book to understand.*
