

Healing the Broken Mind: Transforming America's Failed Mental Health System

By Timothy Kelly

New York University Press. Hardback. Book Condition: new. BRAND NEW, Healing the Broken Mind: Transforming America's Failed Mental Health System, Timothy Kelly, Few afflictions are as frightening or as heartbreaking as mental illness. It may be a topic that many would prefer to sweep under the rug, but it is a fact of life that we as a society can and must face. We have come a long way over the past few decades in our understanding of mental illness and its potential treatments. Yet, tragically, many across the country who struggle with serious mental illness are unable to find effective, quality medical treatment. As a federal commission on mental health concluded, the system of care is in shambles. But why? And how do we fix it? Timothy A. Kelly, former Commissioner of Virginia's Department of Mental Health, Retardation, and Substance Abuse, brings his three decades of experience as mental health commissioner, psychology professor, and clinician to bear in confronting this crisis in America's mental health care system. In clear and accessible terms, he exposes the weaknesses in the current system, examining how and why one of the world's richest and most advanced countries has allowed its most vulnerable citizens...
