The Wild Cat of Europe (Paperback)

By Edward Hamilton

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE. Some few years ago, when reading a review of Knox s Autumns on the Spey, I came upon the following passage: - There is no British mammal, or reputed British mammal, of whose character, locality, and even existence we are so totally ignorant as the Wild Cat. This surprised me, particularly as it was from the pen of a well-known writer on natural history; so, with the view of giving a somewhat more connected history of this animal than is usually found in books on natural history, more especially as it was the only example of the Feline family indigenous to Britain, and on the point of becoming extinct, I commenced collecting together all available information relating to this subject, both on the Continent and in this country. I did not expect to find any difficulty in being able to define the Wild Cat (*Felis catus*) as a distinct species. The task, however, was not so easy as I anticipated, for I found that the characteristics relied on by most authors as specific were not persistent, were...

Reviews

Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).

-- **Mr. Johnathon Dach**

These types of publication is the greatest publication available. It really is filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Prof. Lenna Beatty III**
