Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Iran Open Publishing, United States, 2017. Paperback. Condition: New. Language: Persian-Farsi . Brand New Book ***** Print on Demand *****. Manpareha (literally I-in-pieces, or according to author s translation deconstructions) is a kaleidoscope of prosaic poetry or vice versa poetic prose. Unique in its lietary form, the author applies radical techniques of deconstructivism and structuralism for the first time in Farsi prose literature. More importantly the work is one of the very first elaborations in Farsi literature that transcribes stylistic techniques of postmodernist Iranian poetry (passahaftad) and tearing into a new, bold, and courageous prose. Postmodern critics highlighted the work as exile of exile in literature, or anti-poetry towards a future for Farsi literary prose. Sam Vaseghi, deconstructs not only the linguistic status quo, the semantic, syntax, grammar, or word constructs, he rather deconstructs aggressively the diligently researched and extracted societal elements of the homo iranicus. Beyond the very powerful associative semiotics of the work pieces (manpareh), he not only takes the step to deconstruct his own world of prejudice, taboos . but the fractal structures of the Iranian restorative culture and society. In Sam Vaseghi s world everything, everybody . even a term, a word, a verb or gerund . can get into life and turn into a character or a being as such - e.g. through anti-real characters such as Mr. Everybody-Agha or Mrs Iran-Khanom. Parallel inner monologues melt in the associative memory or the author are bound hermeneutically in the sub-consciousness of the reader. Manpareha although about hundred pages is a result of over ten years of tough work, thousands of revisions, endless critical and contradictive conversations. In manpareha although the author creates an own sphere of semiotics and scripture, but only for purpose of (de-/re-constructing) structures and meaning. Manpareha has been due its political and...
