Charles Togias, United States, 2010. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.My book describes: How far left activists, judicial misconduct and political corruption is ruining America. Atheists with the help of the secular ACLU, has removed prayer from our public schools. Illegal immigrants demonstrate in our streets while mocking American authority. Congress passed a 2700 page National Healthcare Plan behind close doors and most who voted in favor of it are still unaware of its contents. And to further insult the American people Congress exempted themselves from participating in the Plan. Almost half of all Americans do not pay taxes and Congress s solution is to increases taxes on the rest of America. Socialism which has failed in every other country is being forced on the American people by the far left. Our judical system is unjust and our politicians are contolled by lobbyist and special interest groups. America is being destroyed from within. We the people are the rightful masters of both Congress and the courts, not to overthrow the Constitution but to overthrow the men who prevent the Constitution. Abe Lincoln.
