LOSING TRACK (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Contemporary Romance intended for adult audiences. Told from dual point of view, this novel can be read as a standalone or as part of the Living Heartwood series. Sometimes you have to lose your way before finding the right track. The roar of a bike engine. The vibration between her thighs. The feel of cool darkness kissing her skin as she coasts along twisty back roads at night--Melody Lachlan lives for these things. Ever since Mel and her best friend Darla escaped their small, backwoods town, they've traveled the countryside in search of fast rides, tatted bikers, and good times. A self-proclaimed poet and lover of all things free, Mel views her life as one long bike ride--with pit stops along the way to numb the pain. But she never saw herself as a junkie. Party as hard as you ride. That's her motto.until a tragic night steals her soul. Then she's forced to delve below the surface, to where her demons rage. When she meets recovered drug addict Boone Randall, she's more likely to deck him than kiss his dimple-adorable face. She doesn't want his help; doesn't want to own up to her part in that night. She just wants to do her time and keep her promise to her friend. Yet Boone challenges Mel, and soon she doesn't mind sharing the road. Only when Boone's own secret demons threaten their newfound, fragile security, Mel's course becomes rocky, and she must decide if letting her well-worn track marks fade is worth finding a new path. Told from Dual point of view from Melody and Boone, this is a New...
