Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.From the moment their eyes met, Grant Hemmingworth knew he wanted to be with Charlotte McDaniel in more ways than one. After returning home from his last tour during Operation Iraqi Freedom, the ex-Marine couldn't resist the need to learn if the salacious rumors spreading around town about the beautiful young mother were true. It took only one night of making passionate love to Charlotte for Grant to realize two things: Charlotte was not the whore people in town claimed her to be, and Grant wanted Charlotte to forever be his and his alone. But getting Charlotte to want to be with him proved to be more of a challenge than Grant originally surmised. The quiet, reclusive woman was just as stubborn as he was when it came to admitting how she really felt about him and Grant soon realized that his days of war were not over. He now had to fight in a new battle, the one to win Charlotte's heart. Lies, therefore are told - from others, to each other and to themselves, all culminating in misunderstanding and the wrong path taken. On the whole, I would say read this story if you like romances and you like the feeling of wanting to knock people s...
