Through his voice and reflections, Harry wants his poetry to illuminate feelings and desires that stir the heart, soul, and spirit. His poems explore the awakening of wonder, the mystery of love and life, and the courage to live with spiritual values. Within Harry's poetry, there are glimpses of his personal life, spiritual journey, and wisdom to live an authentic life. He invites the reader to contemplate the significance of these messages in their own lives. Edmund Rostand's wonderful character and warrior poet Cyrano De Bergerac, once decried poetry as a game of words. Harry Azmitia's 21 poems are no game but linguistic monuments to the very essence of life and to humankind's massive and often hidden struggles to stay spiritually, emotionally, physically and mentally alive. As a veteran of the Vietnam War, Harry knows about the struggle to stay alive. Warriors of all kinds know this struggle better than us all. Warriors know the abrupt ending that is death; one minute alive and the next, not. Warriors know the crisis of each new beginning that follows each new end; of each breath's choices made and of prices paid. In each of his poems this tilting balance and the love he reaches for time and again is the renewal of his life and of each of our lives in turn. from Harry Norman Azmitia, Jr. PRAISE FOR HARRY'S POETRY This item ships from multiple locations.
