By United States Bureau Statistics

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1920 Excerpt: .and of hours of labor, 1907 to 1920, by occupations, is presented in Table 1 which follows: INIM pation, ear offiSSS ZJfcfch. ml Slilfi s wh k we Data were not obtained for Other employees before 1914. It will be noted that the number of Other employees in 1920 is less than half the number as shown in either 1914, 1916, or 1918. This is due principally to the fact that the 1914, 1916, and 1918 data for Other employees included 39 occupations for which 1920 figures are shown. In 1920 data are presented for both males and females in 3 occupations for which figures were shown for males only in 1914, 1916, and 1918. Females in these 3 occupations were included with Other employees prior to 1920. In 1920 data are presented for both males and females in 3 occupations for which figures were shown...

Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.
