Borgo Press, 2002. Paperback. Condition: New. Expanded ed.. Language: English . Brand New Book ***** Print on Demand *****. Tales of War is a melancholy, atypical, and occasionally surprising book by the author of *The Gods of Pegana* and *The King of Elfland's Daughter*. It was written for a political rather than artistic purpose, but because it was painfully inspired from life (and death) and because it is written by a great writer, it is far more than just a curio. It also crosses more than once into the fantastic realm, which is partly why it is of interest to readers of Dunsany's classic fantasy works. This special expanded edition adds a pair of previously uncollected war-related stories from the same time period: *One More Tale* and *La Dernire Mobilisation*, plus a new introduction written especially for this volume by Dunsany scholar Darrell Schweitzer.
