## Inside the Sky

By William Langewiesche

Random House USA Inc, United States, 1999. Paperback. Book Condition: New. 226 x 128 mm. Language: English . Brand New Book. William Langewiesche s life has been deeply intertwined with the idea and act of flying.Fifty years ago his father, a test pilot, wrote Stick and Rudder, a text still considered by many to be the bible of aerial navigation.Langewiesche himself learned to fly while still a child.Now he shares his pilot s-eye view of flight with those of us who take flight for granted--exploring the inner world of a sky that remains as exotic and revealing as the most foreign destination. Langewiesche tells us how flight happens--what the pilot sees, thinks, and feels.His description is not merely about speed and conquest.It takes the form of a deliberate climb, leading at low altitude first over a new view of a home, and then higher, into the solitude of the cockpit, through violent storms and ocean nights, and on to unexpected places in the mind. In Langewiesche s hands it becomes clear, at the close of this first century of flight, how profoundly our vision has been altered by our liberation from the ground.And we understand how, when we look around,...
