DADS WEEKEND

Dorrance Publishing Co. Paperback. Condition: New. 78 pages. Dimensions: 8.8in. x 5.8in. x 0.2in. Luck is tough for this single dad. After college, he leaves his hometown and finds his way to Las Vegas and then to Utah in search for a job and a better life. He is an artist, someone who knows his craft. But all his aspirations need to take a backseat in favor of the laborious jobs he gets to make ends meet for him and his little girl. Luck in love seems to shun him, too; he thinks marriage is not for him. As he contemplates life, his most likable boss invites him and the other employees to a weekend getaway in Lava Springs, Idaho. For three days in July, he and his daughter spend an almost surreal adventure in the countryside where nature is within their grasp. For once in their lives, they experience a different kind of fun the city can't offer. For the first time in so many years, misery isn't this dad's company. The beautiful weekend and a vivid dream inspire the artist in him to write a fantasy story about a medieval hero-for-hire who wants to retire after the biggest assignment of his life: apprehending a notorious thief and presenting him to the king for a price. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
