H63 2008w OCLC Number: (OCoLC)647996256 Subject: United States -- Census, 2010 -- Data processing. Excerpt: . . . 11 essary, and examining the potential for the Census Bureau to ab-sorb some of the activities originally planned for the contractor. The integrated project team undertook an in-depth review of all the technical specifications and provided Harris with an updated set of requirements in mid-January 2008. Harris conducted its evaluation of these requirements and pro-vided a rough order of magnitude cost estimate in late January. The estimate highlighted potentially substantial increases in the contract cost, and raised new questions about staying on schedule. Clearly, the problem was more significant than had been con-veyed in the December 11, 2007, hearing. What we had perceived as serious, but manageable, problems that were being addressed, we now view as critical and urgent. There is no question that both the Census Bureau and Harris could have done things differently and better over the past couple of years. I should add at this point that in late 2006...
