## THE SERIAL KILLERS: THE FEMALE SERIAL KILLERS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.

The Serial Killers, Female Serial Killers. The second volume of my series on serial killers will introduce you to the women who committed serial killings. These evil women are every bit as cruel and ruthless as their male counterparts. There is a myth that men are the only ones who engage in this type of behavior, sadly that is only a myth as you will learn after reading about only a few of the women who have committed serial killings. I am going to introduce you to a few well known killers such as Elizabeth Bathory, A.K.A, the countess of blood. Aileen Wuornos a woman who inspired the film Monster. Leslie Van Houten, a woman who committed murder for Charles Manson. Jane Toppan, a nurse, who killed dozens of her patients. Amelia Dyer, the baby farm murderer, killed hundreds of newborns. Yes I said hundreds. Also we will explore the possibility that Jack the Ripper was perhaps a woman. Maybe Jack the Ripper was really Jane the Ripper? This book will explore the the lives of some of the worlds most prolific serial killers who happened to be women.
