We know, because although we have been working as Fusion Consultants for many years, We have recently certified with the latest version of the test. Before you start here are some Key features of the Exam. - This certificate builds on the basic knowledge gained by a consultant and preferably refined by practical experience within a project team and the consultant can implement this knowledge of the specialist areas practically in projects. - The Questions are multiple choice type and there is NO penalty for an incorrect answer. - You are not allowed to use any reference materials during the certification test (no access to online documentation or to any Oracle system). Clearing the Certification will not automatically lead you to a job. However a Certification with some project experience will certainly open a lot of doors for you.
