

Revitalizing the Church Through Flake s Formula (Paperback)

By Kenneth Priest

Auxano Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. More than 100 years ago, Arthur Flake introduced a formula for church growth to Christendom. His methods proved to be effective, with pastors and education ministers seeing immense, effective, and healthy growth in their small-group ministries by implementing, and adhering to, Flake s five basic principles. In Revitalizing the Church through Flake s Formula, Arthur Flake s long-proven church growth strategy is re-imagined and written specifically for local church pastors as they go about their work of church revitalization. This documented process for growing churches will assist pastors who find themselves in situations with declining or plateauing church congregations, but it also offers a simplified approach for organizing and preparing churches for what God wants accomplished: reaching new people with the Gospel message of Christ.
