Learning to Look at Sculpture

By Mary Acton

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Learning to Look at Sculpture, Mary Acton, Learning to Look at Sculpture is an accessible guide to the study and understanding of three dimensional art. Sculpture is all around us: in public parks, squares, gardens and railway stations, as part of the architecture of buildings, or when used in commemoration and memorials and can even be considered in relation to furniture and industrial design. This book encourages you to consider the multiple forms and everyday guises sculpture can take. Exploring Western sculpture with examples from antiquity through to the present day, Mary Acton shows you how to analyse and fully experience sculpture, asking you to consider questions such as What do we mean by the sculptural vision? What qualities do we look for when viewing sculpture? How important is the influence of the Classical Tradition and what changed in the modern period? What difference does the scale and context make to our visual understanding? With chapters on different types of sculpture, such as free-standing figures, group sculpture and reliefs, and addressing how the experience of sculpture is fundamentally different due to the nature of its relationship to the space of...
